Quality Policy

Last Update: November 29, 2023

The Partner Program Quality Policy aims to secure the highest possible code quality, PGC standards, data quality and best practices in our developer community. We will use, but not limited too, the Extension Review criteria and further information linked to those documents for quality support documentation. Also see developer.configura.com

Use the following link for the most up to date quality documentation:

Quality Policy.

Updates or Changes to this Partner Program Quality Policy

Configura may update or change this Partner Program Quality Policy from time to time. Configura will notify You of any changes by posting the new Partner Program Quality Policy on this page.

Configura will let You know via email and/or a prominent notice, prior to the change becoming effective and update the "Last updated" date at the top of this Partner Program Quality Policy.

You are advised to review this Partner Program Quality Policy periodically for any changes. Changes to this Partner Program Quality Policy are effective when they are posted on this page.

Your continued use of the Services constitutes your agreement to this Partner Program Quality Policy and any updates.
